Begin/End Word Prediction

Insert Date or Hyperlink

Find

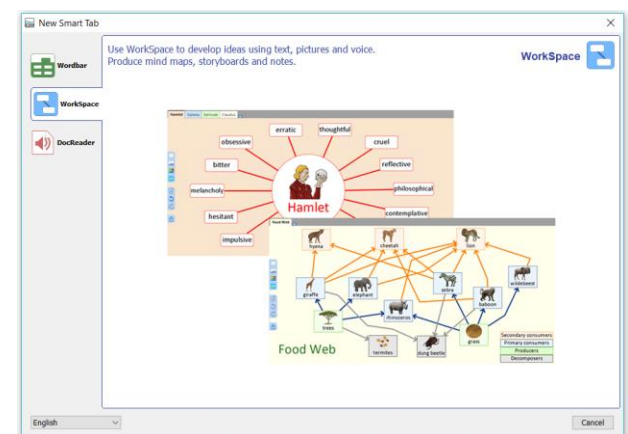

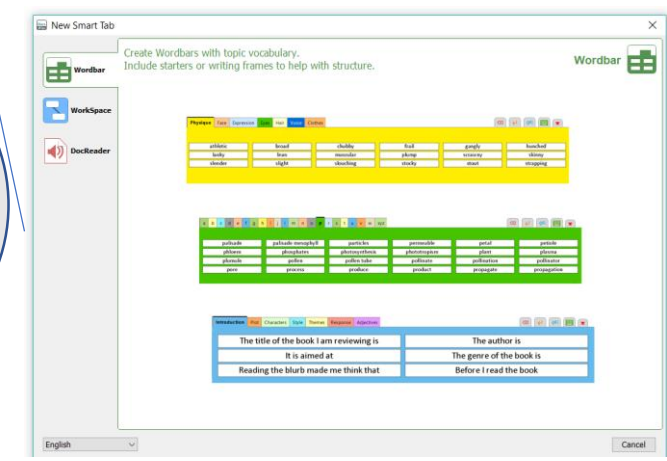

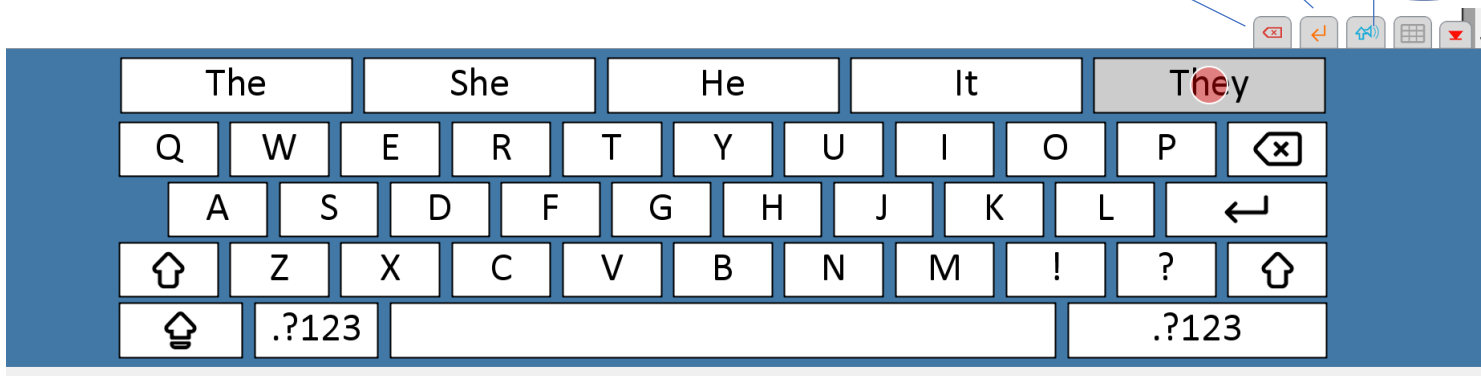

2

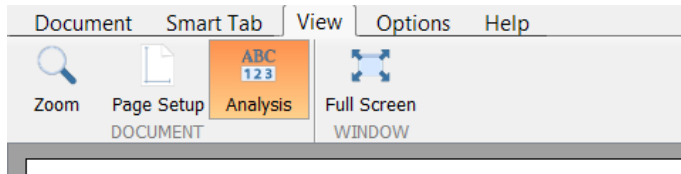

Select to see list of 'Favorite' documents

Hear selected text or word prediction options read aloud. *Select speaker key first, then select word/text to hear

Next Paragraph
Delete

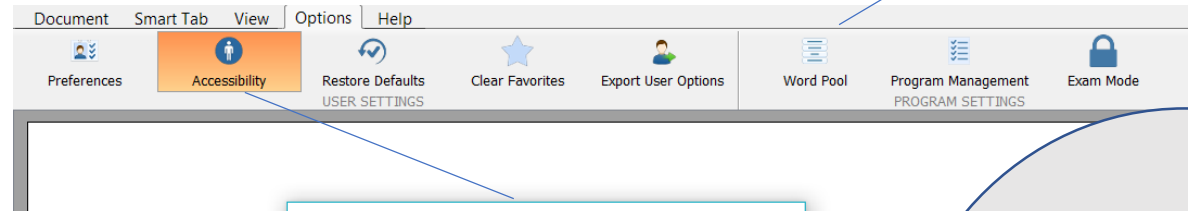

3

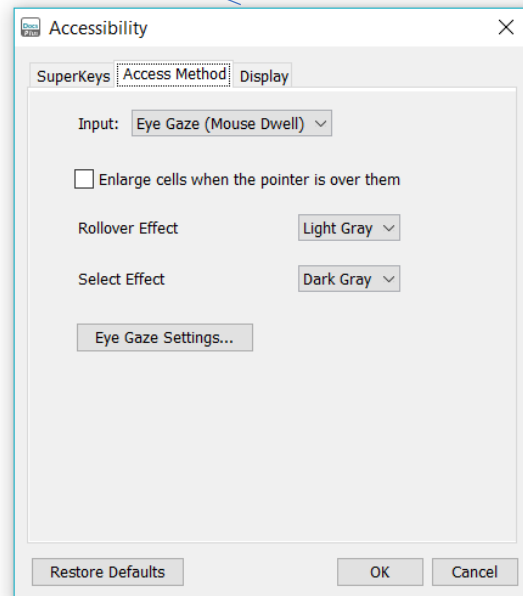

Add less commonly used words to 'Word Pool' (i.e. Proper Nouns) to see them presented more frequently in the word prediction options.

4

Select 'Accessibility' and then 'Access Method' tab to ensure 'Eye Gaze (Mouse Dwell)' is enabled. This feature will allow student to select keys via dwell rather than direct selection.

To change dwell time, select 'Eye Gaze Settings...'
